Intellectual Property Rights: IPR Cell conducts awareness programmes for the students and Members of Faculty to educate them on Intellectual Property Rights including Patents, Copy Rights, Trademarks and Trade secrets. IPR Cell assists in documentation and filing of Patents and copy rights for innovations. So far, 3 Patents have been filed in our College.

Entrepreneurship Development Cell (EDC) identifies the students who are interested to become entrepreneurs and guides them to establish their start-ups. Training programs are conducted through the cell. Boot Camps and Business Model Canvas (BMC) competitions are often convened to bring out the entrepreneurial zeal of the students. Further students are exposed to various incubation centres to roll out their inventions. Earn while you learn has been introduced to promote entrepreneurs. EDC cell organizes competitions where in students present their innovative ideas. Best business ideas that can be converted into business ventures are identified and encouraged. These activities promote their skill and a notable number of students have become entrepreneurs who are running boutiques, coaching classes and small business firms.
